Manager's Corner

Till Next Season...

Now that the season is winding down, many of our residents will be making plans to head back up north for the summer. Remember that if you have any planters or flower beds around your place, make arrangements to have them taken care of while you are gone. Also make sure that any lawn furniture, potted plants, or anything else that might become a projectile during our summer storms is safely put away. Clear off your patios; put everything inside or under your unit behind the skirting. If you have an outside hose, please disconnect it and store it inside also. During high winds, hoses become like whips. If you have an outside shed, please make sure it is tied down.

Everyone please have a safe trip home and a good summer, and we'll see you next season.

From Your CLV Lucky Casino Team...

We would like to take this opportunity to extend our sincere thanks to all those that helped make our 2015 Casino another huge success. Our volunteer wheeler dealers, horse and dingo jockeys provided hours of entertainment, and we were amazed once again by the wonderful assortment of great gifts on the auction table. Thank you to all those who donated or contributed towards the purchase of these gifts. We have heard comments from many people saying they didn't know if they had more fun playing the games or during the live auction run by Ron LaMarche. Ron's previously untapped auctioneering skills had the whole hall laughing for almost two hours all present agreed it was a command performance. We'd also like to thank all those ladies that contributed to our wonderful late lunch, and issue a special thanks to Charlene Arola and Marion Wooters (and their helpers) for the remarkable job they did organizing and laying out the meal.

ON THE MOVE...

We look forward to our 2016 Casino Night
