Wing Ding Party!!

All residents are invited to a 4th of July Party being held at the clubhouse on Monday, July 4th at 12 Noon.

Management will provide several different styles of wings (plain, buffalo hot, honey bar-b-que, etc.), drinks, and paper goods. Please bring a dish to pass, enough for 8 persons.

If you know any one that is house bound and can't make it to our summer parties. Please let management know, we will delivery a take out plate to them.

Everyone is WELCOME !

Lease Renewals

Management has sent out lease renewals information for the leases that are to be renewed as of Sept. 30, 2016.

Please notify the office if you have not received your lease renewal by the tenth of July.

Do not wait till the end of September to renew your lease by contacting the office on our toll free number. Late notification may cause delays in your lease and may also cause difficulties with your lease.

Security Gate

The Security Gate is closed from 7:00 pm to 7:00 am Monday through Saturday, and all day on Sunday. Please make sure you have your transmitter with you. Management is not always around to let you in. In case we have an electric failure, the gate should remain open, if not, the Hibiscus gate will be open.

Please make sure that all of your guests and visitors are aware we are a gated community. And when the gates are closed, you must come down to the gate and let them in.

Larry Slagle of 2428 Azalea Lane is undergoing chemo again, this time for colon cancer. Please send your well wishes and prayers. Both are appreciated.

Carrie Bashford's Mom, Shirley, is currently in an Assisted Care Unit up north. Shirley has refused any further surgery or treatment. Please contact Carrie for updates and where to send cards.

Corene Carpenter of 2493 MGL may have a stint put in. Please keep her in your prayers.

Bill Arola has finished his radiation treatments, however, he won't hear from the doctor till July 15. Let's all pray that it will be good news. The power of prayer does work!!

For Al and Shirley Johnson of 2512 Sunflower Lane, it looks like they won't be leaving CLV this summer. Keith Stephens is taking back and forth to the doctor and Lois Conley is taking Shirley shopping.

Don Smith of 2457 MGL. Don's cancer is back and is in his liver. Don and Flo will not be at CLV this season, They have decided to stay home and do battle against this disease.

Fran Robinson's cancer has advanced and Fran has opted for no further radiation or chem therapy. She will still listen to other options as proposed by her doctors, but right now, she wants quality of life before going thru all the suffering those treatments can bring. Keep those prayers coming.
