HURRICANE SEASON-JUNE 1-ARE YOU PREPARED?

The Hurricane season starts Wednesday, June 1st and while the past couple of years it has been fairly quiet and we hope it stays that way, here are a few reminders. Above all, keep safe.

1. Evacuation of the community is mandatory in case of a hurricane. Please notify the office as to where you are going when leaving; i.e. shelter, hotel, a friends', or relatives. We need to know how to reach you after the event is over, so this year we will be passing a form to fill out and return.
2. Make your plans in advance. Contact the shelter best suited for you and check out the facilities. Pack a TO GO Bag - a least three days worth of medicine, bedding, food, drinks, water, reading material, games, and toilet paper.
3. The Rec Center is not a Hurricane Shelter. The closest shelter is Hilltop Elementary, directly across US 17 from the entrance on Maxwell. Phone is 773-2750
3. The Special Needs Shelter is South Florida Community College, 1 mile north on US 17.on the right. Phone is 773-3081
4. Shelter space is limited, so call ahead and make arrangements at the shelter of your choice.
